5:00PM ♥ R&H CAFE GALLERY

We're excited to introduce a new addition to our drink menu: **Mey & Meze**—a timeless pairing inspired by an age-old Iranian tradition. In Persian culture, wine (mey) is best enjoyed alongside a carefully curated selection of dried nuts, fruits, and cheeses, creating a perfect balance of flavours and textures. Our Mey & Meze experience brings this rich tradition to life, where every sip and bite is a celebration of culture and connection.
