Watermelon Salad

A summer symphony on a plate – sweet, sun-kissed watermelon, crowned with creamy feta, toasted walnuts, and a drizzle of golden olive oil. Fresh mint whispers of cool breezes, while a scatter of nigella seeds adds a touch of magic. Taste the season, light and bright, at R&H Café.

A Piece of Persia

Have you seen our Persian Carpet closely?! Woven in silence, each thread sings a story older than time!

In July, we were delighted to cater for Yell International Leadership Centre with a feast of Persian flavours: Albaloo Polo (sour cherry rice) and Adas Polo (lentil rice) as the stars of the table, accompanied by Mirza Ghasemi, Mast-o-Khiar, and refreshing Salad Shirazi. To finish, our fragrant fig cake was the perfect sweet note.
